

MOORGATE  
RESIDENTIAL CARE HOME

## Introduction

At Moorgate our aim is to provide high standards of care in a secure and warm environment, whilst respecting residents privacy and dignity, and maintaining residents independence as far as possible.

## Accommodation

We have a selection of comfortable bedrooms, most of which are en-suite and all have a carer call system in place. Our bright lounges offer a relaxing environment to listen to music or simply to sit quietly. We also have a comfortable lounge to watch TV.

## Meals

Our attractive dining room offers a tempting and varied menu of home cooked food, freshly prepared from local produce where possible. Individual tastes are taken into consideration and all special diets can be catered for.

## Staffing

Highly trained staff are on call 24 hours a day, most of whom have or are working towards a recognised NVQ qualification. The home maintains strong emphasis on training.

## Garden

The attractive garden is well-tended, with outside seating for the summer months. There is a sensory garden with raised beds and a herb garden.

Interested residents are welcome to help with its maintenance.

## Activities

We have Activity Coordinators who arrange activities according to individual residents needs. There is a full and varied activity programme including visits from the local primary school children, local musicians and theatre companies. Trips out to local garden centres and local events.

## Services

Visiting services include a hairdresser, chiropodist, optician, dentist and clergy of all denominations.

## Visitors

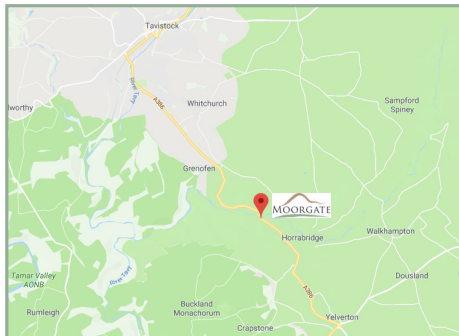

Friends and relatives are welcome to visit at any reasonable time on any day, and may join us for meals, subject to notice.
